

TRELLO SETUP INSTRUCTIONS

Trello is, by far, the best free Kanban board out there right now. In this activity we will have you sign-up for a free Trello account and then create your first Kanban board.

In the next lecture we will be utilizing this knowledge for an activity

Instructions:

1. Head to [Trello's Website](#)
2. Click the "Sign Up" button
3. Enter the necessary details to create a new account
 - a. Confirm your email/account (if necessary)
4. Click the *Boards* button near the top of the screen
5. Click *Create new board* link
6. Give your board a name
7. Click *Create Board*
8. Simply add some 'Status' columns (Trello lists)
...and you are all set to start using Kanban for your work or personal tasks!
